"The most important thing a father can do for his children is to love their mother" -unknown

I've always been in awe of my mother. Raising me wasn't that easy, I was a handful at times. She sacrificed for me. She worked hard for me. She raised me right. She loved me, comforted me and never let me feel bad. Everything she did, she did for me.

So on mothers day, I celebrate. It's my one chance to let her know how much I appreciate all she did for me. I let her know that she is truly loved.

Cherish Mothers day. Let her know how you feel, how much you appreciate her. If you like, we can help make her day amazingly special with a gift certificate that you can print out instantly at www.russiandayspa.com.

Make her feel loved.
